10-11-68

Pinneault asked me to meet Representative for its assurance that US does not encourage these conversations and would not offer participants weeks excluded. He added that he would be interested to know what American diplomats and views are regarding Alcala and decided that direct work on this at any time to discuss such questions with American representatives will be insure that we work in same direction.

GRAND

5:17:PM

A 10x10 grid of dots forming a stylized drawing of a person with arms raised in a 'V' shape. The figure is composed of black dots on a white background. The head is a small circle of dots at the top. The torso is a vertical line of dots. The arms are raised and bent at the elbows, forming a 'V' shape. The legs are also bent at the knees, forming a 'V' shape. The overall shape is a stylized 'V' or 'W'.
